

Guitar Stompboxes

CHORUS SPACE-D CD400

Digital 3-Dimensional Sound Effects Pedal

- Add a breathtaking third dimension to your sound or instrument and experience the secret weapon of professional recording studios
- Real Sound Modeling (RSM) combines state-of-the-art DSP technology with sophisticated algorithms to emulate real acoustic environments
- Dedicated Depth, Rate, EQ and Level controls for awesome sound shaping
- Status LED for effect on/off and battery check
- Runs on 9 V battery or the Behringer PSU-SB DC power supply (not included)
- First-class electronic On/Off switch for highest signal integrity in bypass mode
- 3-Year Warranty Program*
- Conceived and designed by Behringer Germany

A chorus pedal can add a shimmering texture to your guitar's sound with a simple toe-tap; and there are lots of good chorus pedals on the market. But, why settle for good – when you can have great! Now you can have it all, thanks to the CHORUS SPACE-D CD400 pedal's built-in EQ and RSM.

Righteous Chorus

The CD400 features all the standard Depth, Rate and Level settings you would expect, but we've included a dedicated EQ knob that provides total control over the treble content. Soft and supple, or sharp as a razor's edge – your thumb and forefinger have never had it so good!

*Warranty details can be found at music-group.com.

Digital 3-Dimensional Sound Effects Pedal

Step On It

CD400's footswitch is electronic, so that it can stand up to years of hard use, while maintaining absolute signal integrity in bypass mode. The CD400 effects pedal can be used with our [PSU-SB](#) DC power supply, or a simple 9V battery for mobile applications. A clear blue LED indicates power status and battery condition.

Your Mission

See what this "little black box" and its built-in EQ and RSM can do for your sound. Stop by your [Behringer](#) dealer today and ask about the "Top-Secret" CHORUS SPACE-D CD400 CHORUS pedal. (Be sure to whisper)

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own [MUSIC Group](#) factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous [3-Year Warranty](#) program.
