- **Injected Molded ABS Plastic Construction**
- **Two-year Unconditional Warranty***

*Warranty valid in Canada and the United States only

Overview:

The CM5/70 is a 30-watt 5-inch high performance ceiling mount loudspeaker. Ideal for any background music or paging system where superior sound quality is a priority, this speaker is made for louder club or restaurant / retail environments.

Built in 70-volt taps at 5, 10 or 20 watts as well as optional 8-ohm (30 watt) operation means that virtually any amplification or paging system, including the Coliseum CA1 or CA1T can drive the CM5/70.
